ABSTRACT OF THE DISCLOSURE

2        A case indicative of specific greens of a specific golf course for  
3 displaying golf balls on tees. The case includes a display case and golf  
4 course-related elements sitting in the display case. The golf course-  
5 related elements include at least one insert. Each insert has a through  
6 bore replicating the hole in a specific green of a specific golf course  
7 for holding a split tee teeing a golf ball, a top surface having indicia  
8 thereon pictorially replicating a specific green of a specific golf  
9 course, and a bottom surface having a portion of hook and loop fasteners  
10 thereon. The portion of hook and loop fasteners on each insert  
11 selectively mates with a sheet of a mating portion of hook and loop  
12 fasteners in the display case so as to allow each insert to be  
13 interchanged to replicate a specific green of a specific golf course.
